Yes, Ebay said: We charge two main types of selling fees: an insertion fee when you create a listing, and a final value fee when your item sells.

As for us, a lulu parallel merchant sells our products (A2Z PUBLICITY GROUP Products). Your listings are OUR PRODUCTS and not your own products as Ebay merchants are. We save you that headache of finding good products to list and sell.

Additionally, ebay does not own or represent the owner of the products that merchants are selling and does have a up to \$100,000 income WEEKLY guided income business plan or platform for sellers/merchants to utilise or to follow as we do

Also, remember that you could earn up to \$100,000 weekly from the lulu parallel system's commission

## **THAT'S \$100,000 PAY CHECK EVERY WEEK AS YOUR OWN BOSS**

Sound like what the former president Ronald Reagan once said:

**"Jimmy Carter earns \$250,000 a year. I earn \$250,000 a week"**

# **HOW DOES LULU PARALLEL ACTUALLY WORKS TO EARN ME THAT UP TO \$5.2 MILLION A YEAR?**

Sounds unbelievable but this is very possible and it's the simplest part of the work.

**Sounds too good to be true?...BUT, It's true, legit and legal. ...Just follow the plan**

The concept we are about to introduce to you is not new. However the name **LULU PARALLEL** might be new to you.

Some people call it :

OR

**STRAIGHT LINE NETWORKING**

**It's a system that gives a serious worker the advantage to network profitably and make money without selling anything directly by themselves**

# ARE YOU READY FOR, THE UP TO \$100,000 WEEKLY?

SIMPLE BUT VERY POWERFUL MONEY MAKING SYSTEMS - THE LULU PARALLEL SYSTEMS?

**CAUTION:** Be very careful because what we are about to reveal is very SIMPLY, too simple, you may fail to take it seriously but it's a dynamite money maker that could turn you into a multi-millionaire in a very short period of time if you take it seriously

## HERE'S EXACTLY HOW YOU'LL EARN THE UP TO \$100,000 WEEKLY. \$5.2 MILLION YEARLY

Let's start

“

### **UNDER THE “LULU WORK A JOB”**

Every lulu parallel merchant is given the RIGHT to sell as many product as he/she could sell weekly and pocket a 50% commission.

We'll ship the product to directly to your customers.

If you market 3 - 100 weekly, you,ll earn a 148.50 - \$4,950 weekly commission

“

### **HOWEVER, UNDER THE “LULU CREATE JOBS”**

Every lulu parallel merchant is given the RIGHT to refer or introduce up to 100 new lulu merchants to us. They don't have to buy any products from you before they can become a merchant like you but they will be selling lulu parallel products like you are doing.

Just introduce/refer them to the business. It is very easy to invite people to JOIN a business opportunity which will earn them up to \$100,000 weekly WHILE THEY WORK PART TIME without investing any money to start it.

That's why we called it **LULU CREATE JOBS**  
**By this means, you are helping people find Jobs**

# How do I earn the up to \$100,000 weekly. \$5.2 million a year?

Simple, all you'll need to do is invite only A MAXIMUM OF 100 people into the business.

**For example,** Invite 10 every month and you'll have the 100 within 10 months but you could have them all within 30 - 90 days (1 - 3 months)

**LOOK, IT'S VERY EASY TO INVITE 100 PEOPLE TO START A BUSINESS WHICH COULD EARN THEM UP TO \$100,000 WEEKLY INCOME WITHOUT A START UP INVESTMENT.**

**YES, YOU CAN DO THIS. YOU CAN GET YOUR 100 PEOPLE TO WORK**

When you refer 100 and these 100 refer their own 100.  
You'll have  $100 \times 100 = 10,000$  merchants under your network.

Whenever these 10,000 sold a product for \$99. We'll pay you 17% or \$16.83. Multiply that by 10,000 ( $10,000 \times \$16.83$ ) = **\$168,300.00**

**Note:** This is only if each of them had sold **only 1 (ONE) product a week.**

Imagine, the 10,000 selling an average of 5 products a week, you have  $\$168,300 \times 5 = \$841,500.00$  weekly

**YOU SEE, WHEN WE SAID EARN UP TO \$100,000 WEEKLY, WE WEREN'T EXAGGERATING. YOU COULD EARN OVER \$800K WKLY**

Even if your 100 people could only bring in 10 people each to work as merchants, you still have a least 1,000 to be making \$16.83 from, each time they sold a \$99 product.

You  Referred up to 100 new lulu merchants

Whenever any of these 100 referrals of yours & their 100 make sales, we'll pay you \$16.83 or 17% lulu parallel commission.

When you invites or refer up to 100, we'll put their 100 referrals under you and pay you \$16.83 each time these up to 10,000 merchants sold products.

We'll pay them their \$49.50 direct commission and we'll pay you \$16.83 lulu-parallel THANK YOU commission. Thank you for referring them

**Note:** We'll not cheat them for you. We'll not take the \$16.83 from their \$49.50 commission and pay them \$32.67

We'll pay you the \$16.83 from our company's purse

Believe me, many of them would try to sell 100 gift cards a week so that they could earn their \$49.50 commission x 100 = \$4,950 a week.

**AND WE'LL GIVE YOU \$16.83 X 100 = \$1,683 WEEKLY TO YOU**

**FROM THAT PARTICULAR 100 SALES FROM THAT ONE MERCHANT WEEKLY**

Remember that we said, UP TO 100  
"LULU CREATE JOBS" REFERRALS FROM YOU?

WE CALLED THIS LULU-PARALLEL OR NETWORK BECAUSE  
IT'S JUST YOUR UP TO 100 & THEIR UP TO 100. FULL STOP

**That means, 100 "create jobs" referrals are the maximum to be referred or register for us by you.** You are free to register a lower number. You'll still make a lot of money

# HOW DO I MAKE MORE MONEY WITH LULU CREATE JOBS THAN WITH LULU WORK A JOB.

If you sold 1,000 membership card products in a year with lulu work a job, **You'll earn only \$49,500 a year commission. That's \$49.50 commission from every \$99 product sold**

**On the other hands, with lulu create jobs,** If you refer only 100 new merchants to us and EACH of them refer 100 new workers/merchants.

That's 10,000 referrals. If each of them sold an average of only 1 product in one whole week. You'll get 17% OR  $\$16.83 \times 10,000 = \$168,300$  weekly.

Imaging they each sold 10 cards/products a week, you'll earn =  $\$16.83 \times 10 \times 10,000$  **That's = \$1.6 million weekly**

It's unbelievable. Simply referring people to have their own business

## In conclusion,

Therefore, keep selling and keep

earning your steady \$49.50 or 50% commission

but at the same time Recruit new merchants for us under our lulu create jobs program. The latter could make you a multi-millionaire

**Change your life now financially**

# **HOW WOULD I EARN JUST A GOOD INCOME FROM THIS WITHOUT WORKING TOO HARD?**

Set a 1 referrals days or 30 months goal for yourself.

It's called the million dollars journey

.....and within 4 - 5 months, you'll have referred your full 100 new merchants into the club.

**Note:** It can be possible that you'll invite more than 200 before you'll get at least 10 to sign up, therefore, don't invite just 10, invite as many as possible out of which some of them whom join to become merchants.

**Look:** It is not difficult to invite people to come and start a **business** of their own.

A business which would give them a chance to be earning a huge weekly income and into which they'll not invest any money to start it.

Since more than 10 million people are out there looking for legitimate home-based income opportunities, you can easily bring in 30 new merchants or more monthly.

**Quick Note: Remember,** the maximum number of merchants you can sign-up for us is 100, If you succeeded in signing up all the 100 within 2 months or within your first campaign, you can stop. No need to keep it up for 10 months

**Now let go back to:**

**Setting a 3 days or 30 months goal for yourself plan.**

**It's called the million dollars journey.**

With only 10 - 30 new merchants every month, in 4 - 10 months, you'll have 100 new merchants (as your partners)

They are your partners because through them we'll pay you \$16.83 or 17% from every \$99 product sold by each of them.

## Your Stage 1

You'll bring 1 - 100 new merchants into the luluparallel network

## Your Stage 2

These 100 sales people/merchants of yours will bring their own 100 each, That'll be up to  $100 \times 100 = 10,000$  new merchants.

# IT MAY BE TOO HARD IF IT WERE TO BE DONE BY YOURSELF ALONE?

For you to sell and earn \$8,415 weekly by yourself , you'll need to sell 170 gift cards a week  
You'll get paid  $\$49.50 \times 170 = \$8,415$  commission

Can you sell 170 products ALONE in a week? Likely impossible.

O.K, HOW ABOUT HAVING, your 100 referrals doing only 5 sales a week? you'll have  $(5 \times 100)$  500 sales a week and a  $\$16.83 \times 500 = \$8,415$  income

That'll be the same **\$8,415** coming to you but without you doing any sales and without your sweating. It'll come from your referrals.

Understood? Use the power of networking to earn money

## **ANOTHER POSSIBILITY IS:**

The 10 new merchant you brought could become a better recruiters than you and they could each bring their own 100 (not 10).

**That'll automatically put 1,010 merchants under you**

Imagine having 1,010 merchants doing an average of 14 sales weekly, 2 daily

That's \$16.83 x 14 sales x 1,010 merchants

**= \$237,976.20 (almost \$238K) weekly income for you for doing nothing.**

**IT'LL BE PRACTICALLY IMPOSSIBLE FOR YOU TO EARN OVER \$237K WEEKLY IF THIS WERE TO DONE BY YOURSELF ALONE**

or can you close 14,140 sales weekly by yourself alone?

Use the power of Networking.

## **DON'T MISS THE POINT:**

The point is, only 10 GOOD new merchants introduced to us by you could be putting up to \$237,900 weekly income into your pocket.

...and you're not doing the selling by yourself. We'll pay you once they sold products.

Imagine introducing up to 100 new merchants?

## **WHAT HAVE YOU GOT TO LOSE?**

Here is a business you could start part time from your kitchen table WITHOUT ANY UPFRONT INVESTMENT and have a chance to earn over \$237,900 weekly.

Take 3 - 10 months to build your network of 100 partners.

Sit back and be collecting income every week for life possibly. Up to \$237,900 weekly possibly

# **I'M WORRIED, I STILL DON'T KNOW HOW I CAN POSSIBLY RECRUIT OR REFER UP TO 100 MERCHANTS OR DISTRIBUTORS INTO MY TEAM. IS IT REALLY POSSIBLE?**

Worry not!

If you THINK that you cannot refer up to 100 people, ONLY 100 hungry WORK FROM HOME seekers who could start this work today while every statistic indicators are pointing to the fact **that there are over 10 million part time business opportunities work from home seekers out there**, then, I'll say that your thinking of impossibility is very wrong and it belittles or renders useless, your capability.

**It's like telling yourself that you cannot be a \$ millionaire or \$ billionaire or no one can.**

**BE DIFFERENT. Only people who were different became RICH.**

We want you to **refer** up to 100 new merchants. We are not like some MLM companies that would want you to refer only 2 - 5 but they kept the decks too long & too boring.

We will do our part to make it easier for you to refer new merchants.  
**In less than 5 minutes AFTER YOU'VE SIGNED UP, we'll create a unique web-page for you personally.**

If you send your web-page LINK to 1,000 people who are looking to make extra income, you'll get your up 100 before you even know it.

**Also, you can use your personalized web page to sell our products and earn a lot of money.**

Just direct them to your luluparallel merchant's personal webpage where they'll either sign-up to become merchants themselves or buy your products.

**Yes, it's possible to have 100 recruits or referrals within a matter of weeks AND YOU CAN DO IT.**

**YOU'LL NOW HAVE THE LICENCE TO EARN A LOT OF MONEY WEEKLY.**

Our product retail prices ranges from \$9 - \$15,000 per item.  
**Our digital online magazine full-page ad rate is: \$10,000**

Imagine, we have a product which retails for \$1,500 each for you to sell, your direct commission income will be \$750 or 50% of \$1,500 and your downline override income will be \$255 or 17% from up to 10,000 downline merchants

Multiply  $\$255 \times 10,000 = \$2,550,000$ . **That's \$2.5 million weekly for you if your up to 10,000 downline merchants closes a \$1,500 sales per week. That's up to \$132.6 million a yr for you**

# Okay, Is this legal?

Yes, It's 100% legal.

\*\*It's very legal to work for us at your home but independently, self-employed as your own BOSS. You manage your time-table and etc. No need to report 9am - 5 pm at our office daily.

**You'll be gainfully self-employed legally.**

(2) \*\*It's very legal to bring up to 100 people, new merchants to us to be gainfully employed as you are.

This reminds me of when I was a little over 20 years old and working in a factory settings. Whenever, there was any job openings or job vacancies, the factory supervisor always told us, the employees first, to bring our friends to fill the positions. It was only if we couldn't have any friends to bring, that factory would put the ad in a public newspaper instead of on the Factory's billboard.

**That said, It is not illegal to bring your friends to come and be gainfully self-employed. They'll pay no money to start.**

(3) \*\*As a sales merchant, it's very legal to pay you that 50% commission for sales you closed by yourself.

(4) \*\*As a sales merchant, it is legal for us (the company) to give you the **17% thank you pay** for the new merchants that you referred to us

Think about it, if you were greedy, you'll not bring those up to 100 new merchants to us because they'll spoil the market for you. They'll be selling at the same territory (ies) with you. No doubt, you'll lose some customers to them. **Don't worry, we'll give you a 17% thank you compensation whenever they sold a product for us**

(5) **\*\*If you know MLM laws, you'll know that it is legal for us (the company) to give you the 17% thank you pay from the sales proceeds of the new merchants that you referred because, the money we'll pay you are from sold products income, they're therefore, not from any illegal head-counts income as it is in MLM.**

(6) **\*\*Furthermore, our 17% compensation system does not penalize the new merchants. In other words, we would pay 50% commission to all new merchants (you referred) whenever they closed sales. We'll not pay them 33% and send you 17%. They will not get less money for doing same work. That'll be illegal if they do**

No, we'll pay them their own 50% for their direct sales closed. The 17% that we'll send to you per sales would come from us, the company.

**Our commission & compensation plan have passed all the networking and mlm law requirements.**

**Work with confidence. We abide by the law and YES, we are 100% legal**

**I DON'T MIND IF BIG MONEY WOULD COME FROM THEM (A LOT OF \$16.83) BUT COULD I EARN MONEY FROM THIS SYSTEM TO PAY MY BILLS WITHOUT DEPENDING ON ANY INCOME THAT'LL COME TO ME FROM OTHER MERCHANTS?**

Yes, you can! Imagine one of the products you are selling retails for \$99 and your direct commission is 50%. That's \$49.50

If you want **\$5,000 a week**, simply sell only 100 a week by yourself

If it's **\$1,000 weekly** that you wanted, simply sell only 20 gift cards a week by yourself

If you just wanted only **\$500 weekly** simply sell only 10 gift cards a week by yourself

....and so on and so forth
